Forecast For West Midlands
Issued by Met Office Exeter
at 1600 on Friday 03 Sep 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Mostly dry tonight and into the weekend.

This Evening and Tonight:
Conditions remaining largely unchanged, giving a rather cloudy end to the day as areas of cloud continue moving across the region. Staying dry throughout with light winds. Minimum temperature 12 deg C (54 deg F).

Saturday:
Some sunny spells in the south during the morning and the odd spot of drizzle is possible in the north. Staying cloudy into the afternoon, but skies brightening up later. Maximum temperature 21 deg C (70 deg F).

Outlook for Sunday to Tuesday:
Mostly dry with variable cloud throughout this period, giving sunny spells at times. However, some rain is possible on Sunday night and into Monday for a time. Turning warmer.
